## Friendship Home Fr. Luis Amigó

Friendship Home Fr. Luis Amigó is a non-profit organization serving the welfare and interest of children in especially difficult circumstances in the Philippines. It follows the spiritual legacy of Fr. Luis Amigó (1854 -1934), founder of the religious congregation of the Amigonian Fathers and Brothers, “to work for God’s glory in the education of the youth . . . and in case they turn away from the fold of the Good Shepherd . . . To bring them back into His fold again.” Friendship Home is guided by the spirit of the UN Convention on the Rights of the Child and the Philippine’s National Vision of the Child of the 21st Century.

*Be the change that you want to in the world.*

*“If you want, you can; if you can, you should; YOU CAN MAKE A DIFERENCE, join us.”*

## Vision

Friendship Home envisions to provide Residential and Community-Based programs and services to children in especially difficult circumstances and those in need of preventive and special protection by promoting the values of **FRIENDSHIP** from generation to generation:

*Where they are able to grow in an environment of peace, equity and justice, in harmony with other people and the whole of creation;*

*Where they are able to build genuine friendships;*

*Where they are able to contribute their share to nation-building in accordance with their evolving capacities and capabilities; and*
